

Austria HA8 inverter manufacturer

Overview

Fronius International is an Austrian manufacturer with quite a history behind its back. The company was founded in 1945 in Pettenbach. It is specialised in welding, photovoltaics and battery charging technology. The company has been making solar inverters for sale for more than 25. Founded in 1945 as a regional one-man business, we are now a global player – a fact that is impressively demonstrated by our 37 international subsidiaries and our network of sales partners in more than 60 countries. And yet, at our core, we are still a family-owned company from Austria active in. Reliable energy supply is our goal. Innovation is our driving force. Fail-safe power. The company specializes in renewable energy solutions, particularly photovoltaic solar cells and technologies, and offers integrated solar inverters as part of its product line, promoting sustainable energy production. One of the oldest inverter manufacturers on the market today is an Austrian brand Fronius International.
