

Brunei solar powered mobile lighting vehicle

Overview

The Porta is a portable solar lighting system used for temporary parking lots, construction sites, outdoor/seasonal concert/fair venues, temporary roadways, and leased property. The Porta system comes in 20W, 30W and 40W, 20' pole with both single and dual fixtures. Starting with importing LED lights into Brunei, Sun Wei is the region's representative for GlacialLight, a leading cutting edge manufacturer of high quality LED lighting products from Taiwan. With inhouse design of its LED drivers, this will guarantee the product's reliability. Cleaning, grass-cutting and other facility management services. com is a brand under Quaezar Sdn Bhd, a Brunei based company specialising in solar photovoltaic systems and lightings. We provide consultation. Solar street lights, with self-powered systems and low-maintenance advantages, align perfectly with Brunei's environmental philosophy. According to the International Energy Agency (IEA), solar applications in Southeast Asia could reduce carbon emissions by more than 20%.
