

East Timor Capacitor Monopoly Company

Overview

Timor Telecom, S.A. (TT) is an East Timorese telecommunications company, based in the national capital Dili. The company originally had a state monopoly on telecommunications in East Timor. The monopoly was lifted by the government in 2010 in response to overwhelming public opinion in favour of. As of December 2019, the largest shareholder of the company (54.01%) was Telecomunicações Públicas de Timor, S.A. (TPT), which was controlled by Oi, a Brazilian company owned by Timorese businessman Abilio Araújo [In September 1999, the telecommunications infrastructure in East Timor was destroyed during the following the. In 2001, the (UNTAET) launched an. • TT offers landline and mobile voice and internet services, under a variety of plans. As of 2015, the company covered about 94% of East Timor's population with mobile network and internet services, and had about 632,500 customers for those services. • Media related to at Wikimedia Commons•.
