

## Greek lithium battery pack source manufacturer

### Overview

Specialist battery company Sunlight, a member of Olympia Group, will significantly increase manufacturing capacity and create new jobs at its state-of-the-art plant in Xanthi, northern Greece, following a €25 million, 10-year loan from the European Investment Bank (EIB) which was. Specialist battery company Sunlight, a member of Olympia Group, will significantly increase manufacturing capacity and create new jobs at its state-of-the-art plant in Xanthi, northern Greece, following a €25 million, 10-year loan from the European Investment Bank (EIB) which was. Identify and compare relevant B2B manufacturers, suppliers and retailers Sunlight Group Energy Storage Systems specializes in lithium-ion batteries, offering the Sunlight ElectroLiFe, a high-quality plug & play lithium-ion battery ideal for leisure mobility applications like golf carts. This. One of Europe's most advanced industrial battery facilities and the largest motive power battery plant in the world. It serves as a production hub and a key R&D site, accelerating Sunlight's global leadership in energy storage.

## Article Content

Greek battery firm Sunlight investing in capacity, lithium ...

Greek battery maker Sunlight Group, part of Olympia Group, last week reported a 54% rise in 2021 turnover and said it is pushing with its EUR ...

Sunlight

The company has a strong presence in Europe with state-of-the-art facilities in Greece and Italy, amongst them the world's largest factory of lead-acid batteries for automated guided vehicles, ...

Top Lithium-Ion Battery Pack Manufacturers in Greece

Discover all relevant Lithium-Ion Battery Pack Manufacturers in Greece, including Sunlight Group Energy Storage Systems and WINNER BATTERY / WINNER BATTERY GROUP

Sunlight Industrial Complex | Sunlight Group

Spanning 90,000 m<sup>2</sup> with 8 fully automated production lines and an annual capacity of 9 GWh, the Xanthi industrial complex is a powerhouse of large-scale lithium-ion and lead-acid battery ...

Greek Lithium Battery Energy Storage: Powering a Sustainable Future

As Greece accelerates its transition to renewable energy, lithium battery storage systems are becoming the backbone of smart energy solutions. This article explores how Greek innovators are shaping the ...

Batterypack

With more than 30 years of experience in the battery field and with over 5000 ready-to-deliver different batteries in our warehouses, we stand by all professionals by providing them with excellent quality ...

List of Top Lithium-Ion Battery Manufacturers in Europe [2026 Guide]

Selecting lithium-ion battery manufacturers in Europe in 2026 requires balancing technical, regulatory, and supply chain considerations. The points below help build a practical ...

Greece: EIB to support innovative battery production ...

The project will support the development of a pilot line to produce prototype lithium cells, and contribute to financing the company's research, ...

Lithium-Ion Battery Packs & Battery Cells - Voltaplex ...

Explore Voltaplex's advanced lithium-ion batteries and cells for powerful and lasting device performance. Discover energy solutions designed for efficiency.

Sunlight to create world's largest battery manufacturing unit in Greece

Sunlight, a global technology company and producer of industrial and energy storage solutions, has announced the implementation of a €50m investment plan for infrastructure, ...
