

London Collapsible Container 200kW Price List

Overview

In this guide, we break down typical UK prices, what affects them, and how to get the best deal so you can make a confident and informed decision, whether you're after a compact 10ft unit or a spacious 40ft high cube container. What Impacts the Cost of a Shipping Container?

Collapsible containers are mobile storage units, or flat pack containers that are screwed together on site, while maintaining the capacity for quick and easy relocation. This makes them a great all rounder for general purpose storage in any setting, either business or domestic, either on a. We are one of the UK's leading portable accommodation and storage container specialists for both hire and sales. Our two most popular sizes are standard 20ft and 40ft containers, both widely used for secure storage, long distance international shipping, and a variety of conversion projects. New build "one trip" containers built in the Far East and positioned into our depot with light cargo. Complete with 5 years CSC plate.
