

Modular energy storage cabinet 100kWh warranty period

Overview

Q: What is the warranty period of the energy storage system?

Does it cover the battery cells?

A: The whole machine is guaranteed for 2 years, and the battery cells are guaranteed for 5 years or 6000 charge-discharge cycles, whichever comes first. Integrated C&I Energy Storage Solutions (100kWh - 522kWh) Grade A Manufacturing Quality. Modular Liquid-Cooled Cabinets and High-Density Battery Packs Designed for Industrial Efficiency. [Cabinet Series] | [Liquid-Cooled Packs] | [System Advantages] | [Get a Quote] Modular Storage Cabinets for. With a modular capacity range from 30kWh to 140kWh, the system provides exceptional scalability, reliability, and energy efficiency — ideal for commercial and industrial projects of all sizes. Built with advanced LiFePO₄ (LFP) technology, the GSL HV-R series ensures superior safety, long cycle. You will have the dual guarantee of "local services + factory resources". 4Q: How do your warranty and after-sales services work?

4A: As your contractual partner, we take full responsibility for your warranty matters. Battery and system operations can be remotely monitored via a cloud platform. 3.
