

## Price of a 30kW mobile energy storage outdoor cabinet for railway stations

### Overview

This StackRack battery kit offers up to 30 kWh of reliable battery storage in a pre-assembled, outdoor-rated SRB6 battery cabinet. The system includes heavy-duty copper busbars and battery cables. This air-cooling outdoor cabinet is now available on the market with a 30kW hybrid-coupled system, capable of both on-grid and off-grid operations. Additionally, H30 could be programmed to discharge and meet the energy demand on project basis, designed for small businesses. The most special design. Looking for a versatile outdoor energy storage solution?

Check out our 30 kW/90 kWh cabinet! Perfect for demand regulation, peak shifting, and C&I energy storage, with a flexible split design and easy Individual pricing for large scale projects and wholesale demands is available. Split design concept allows flexible installation and maintenance, modular. The Outdoor Energy Storage Cabinet is designed to provide reliable energy storage solutions for outdoor applications. Huijue Network products are exported to Europe, North.
