

# Selling photovoltaic solar generators

## Overview

Although many people with solar systems on their homes or businesses think that they can sell excess electricity to the power grid, the reality is that you can only sell power to the grid if you have an electricity generator's license and qualified power-generating assets. With Nevuto, you can create a renewable energy or outdoor gear store to sell solar generators worldwide. Customers include campers, homeowners, and eco-conscious buyers. Can I sell both portable and large solar generators?
