

Solar powered battery charger in Tunisia

Overview

Every type of EV charging comes with a price tag, but North African startup Bako Motors has a pretty simple workaround: just let cars charge themselves. Bako's ultra-compact cars and fun-sized cargo vans actually have solar panels on the top. The SUNER POWER Waterproof 12W 12V Solar Battery Charger & Maintainer Pro is designed for efficiency and durability. Featuring Ultra-Smart MPPT technology for optimal charging, this solar panel is perfect for maintaining 12-volt batteries across various applications, including automotive, marine. ©2024 Medianet, All rights reserved. Those panels feed energy directly to lithium batteries. Tunisia, a country in northern Africa, is heavily dependent on natural gas and oil. Only 3% of the energy mix stems from renewables. 0 ports?
